DESCRIPTION

Cozy 3-storey house with all amenities in the center of the village, close to the beach and overlooking the sea. Enjoy 100% of your stay! Beautiful newly renovated house in the center of Cadaqués. It is distributed on 3 levels: at the top there is the dining room with views of the church and the sea, fully equipped kitchen and a double bedroom loft upstairs. The middle floor consists of 3 bedrooms (1 double, 2 with bunk beds) and a full bathroom with a bathtub. The lower floor, which has access to the house from the front and rear street, has a parking space for a normal vehicle (not very large) and a bathroom with a shower. The house has all the comforts to make your stay as pleasant as possible, it has heating in winter and air conditioning in summer. Typical house of Cadaqués decorated with love. It is a luxury to have a parking space in Cadaqués, our house has this service. The vehicle cannot be very large since narrow streets can be difficult to make the maneuver to park inside the garage. A family car fits perfectly. We also ask not to use the air conditioning if the windows are open and to disconnect it whenever you leave the house. When you turn it on, it takes less than 5 min to cool the room. Bed linen and towels included. Cot, high chair, baby bath and baby monitor are optional with prior notice. No parties or pets allowed.
